

Student Name _____ Class Period: _____

ORHS Biology Retest Procedure and Ticket

Unit Test Name: CELL MEMBRANE AND TRANSPORT TEST

Original Test Grade: _____

In order to retest you MUST complete the following steps:

STEP 1: Check your Student Access Account and ensure that you have no zeros for that unit!

Note: *If you have zeros, you must complete those assignments before continuing.*

Pick Up Retest Ticket/Elevator Remediation Sheet if you decide to retest.

STEP 2: Complete the "Elevator" Remediation Sheet for that unit and bring completed to your remediation session.

ATTACHED TO THIS SHEET

STEP 3: Schedule one or two remediation sessions to go through your original test. Please be aware that you **MUST** complete your test remediation before you retest. This may take one or two remediation sessions.
